Saturday, September 7, 2024

10:00 am to 12:30 PM

This is our 6th annual P.L.U.M. mission project working with the faith-based organization “**Rise Against Hunger**” to host a **meal packaging event**. We will coordinate an assembly-line packaging of highly nutritious dehydrated meals comprised of rice, soy, vegetables and 23 essential vitamins and minerals. Together we will package 13,000 meals that will be sent to school feeding programs around the world, medical clinics, child growth and development centers, elder care and crisis and disaster centers.

This project has two parts:

- First, it costs 38 cents to package each meal. With our goal set at 13,000 meals. That means we need to raise about \$4,800 by August 31st or \$480.00 per congregation.
- Second, we need at least 40-50 people to help package the meals. **In addition, we need a group of able-bodied people at Christ Lutheran at 9:00 a.m. on Saturday, September 7th to help unload the truck and set up our fellowship hall for the event.**

The actual meal packaging will take place 10:00 am sharp – 12:30 p.m. the same day.

School-aged children are welcome and encouraged to be a part of this wonderful project!

In making a donation, please make the check out to Pittsburgh Lutheran United Ministries (P.L.U.M.), and clearly indicate “Rise Against Hunger” on the memo line of your check.

Please make the commitment to help with the event on Saturday, September 7!

If you can commit to working with us, please call or email the church (contact info above), email Mary Anne Novak (coordinator) at novakbb@aol.com or you can register on-line through Facebook. Feel free to ask family & friends from your community.

Please contact Christ Lutheran or Mary Anne by August 31 with your commitment to participate. Together the churches within P.L.U.M. can make a difference in combatting world hunger as our hands and mission unite to do God’s work.

Come join us for this spiritually inspiring event!
